Mr. Brian J. Bosse, Waterfront Business Manager
City of Santa Barbara
132 Harbor Way A
Santa Barbara, CA 93109

Dear Mr. Bosse:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Santa Barbara Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 14-15A) to the California Department of Finance (Finance) on February 3, 2014 for the period of July through December 2014. Finance has completed its review of your ROPS 14-15A, which may have included obtaining clarification for various items.

Based on our review, we are approving all of the items listed on your ROPS 14-15A at this time.

During our review, which may have included obtaining financial records, Finance determined the Agency possesses funds that should be used prior to requesting Redevelopment Property Tax Trust Fund (RPTTF). Pursuant to HSC section 34177 (l) (1) (E), RPTTF may be used as a funding source, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation. The Agency provided financial records that displayed available excess funds on hand (Other Funds) totaling $203,946.

Therefore, with the Agency's concurrence, the funding source for the following items have been reclassified to Other Funds and in the amounts specified below:

- Item No. 1 – Tax Allocation Bonds Series 2001A in the amount of $168,056. The Agency requests $482,893 of RPTTF; however Finance is reclassifying $168,056 to Other Funds. This item is an enforceable obligation for the ROPS 14-15A period. However, the obligation does not require payment from property tax revenues and the Agency has $203,946 in available Other Funds. Therefore, Finance is approving RPTTF in the amount of $314,837 and the use of Other Funds in the amount of $168,056, totaling $482,893.

- Item No. 4 – Fiscal Agent Charges in the amount of $6,400. The Agency requests $6,400 of RPTTF; however Finance is reclassifying $6,400 to Other Funds. This item is an enforceable obligation for the ROPS 14-15A period. However, the obligation does not require payment from property tax revenues and the Agency has $203,946 in

available Other Funds. Therefore, Finance is approving the use of Other Funds in the amount of $6,400.

- Item No. 5 – Paseo Nuevo Property Management Obligations in the amount of $29,490. The Agency requests $29,490 of RPTTF; however Finance is reclassifying $29,490 to Other Funds. This item is an enforceable obligation for the ROPS 14-15A period. However, the obligation does not require payment from property tax revenues and the Agency has $203,946 in available Other Funds. Therefore, Finance is approving the use of Other Funds in the amount of $29,490.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 14-15A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2013 period. The amount of RPTTF approved in the table below includes the prior period adjustment self-reported by the Agency. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. Any proposed CAC adjustments were not received in time for inclusion in this letter. Therefore, the amount of RPTTF approved in the table below only includes the prior period self-reported by the Agency.

Except for items that have been reclassified, Finance is not objecting to the remaining items listed on your ROPS 14-15A. If you disagree with the determination with respect to any items on your ROPS 14-15A, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2014. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the successor agency in the RPTTF.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

Sincerely,

JUSTYN HOWARD
