REVISED

April 21, 2014

Mr. Joe Nocella, Finance Director
City of South El Monte
1415 N. Santa Anita Avenue
South El Monte, CA 91733

Dear Mr. Nocella:

Subject: Recognized Obligation Payment Schedule

This letter supersedes Finance's letter dated April 10, 2014 and is necessary due to a clerical error. Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of South El Monte Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 14-15A) to the California Department of Finance (Finance) on February 26, 2014 for the period of July through December 2014. Finance has completed its review of your ROPS 14-15A, which may have included obtaining clarification for various items.

HSC section 34171 (d) defines enforceable obligations. Based on a sample of line items reviewed and application of the law, the following does not qualify as an enforceable obligation for the reasons specified:

- Item No. 28 – City loan repayment in the amount of $42,649. Pursuant to HSC section 34191.4 (b), loan agreements between the former redevelopment agency and sponsoring entity may be placed on the ROPS if the following requirements are met: (1) The Agency has received a Finding of Completion; and (2) The Agency's oversight board approves the loan as an enforceable obligation by finding the loan was for legitimate redevelopment purposes.

  The Agency received a Finding of Completion on May 24, 2013. OB Resolution No. 14-05, making a finding the City easement loan agreement is an enforceable obligation and finding the loan was for legitimate development purposes was denied in our letter dated April 10, 2014. As such, this item is not eligible for funding at this time.

The administrative costs claimed are within the fiscal year administrative cap pursuant to HSC section 34171 (d). However, Finance notes the oversight board has approved an amount that appears excessive, given the number and nature of the other obligations listed in the ROPS. HSC section 34179 (i) requires the oversight board to exercise a fiduciary duty to the taxing entities. Therefore, Finance encourages the oversight board to apply adequate oversight when evaluating the administrative resources required to successfully wind-down the Agency.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 14-15A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2013 period. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. The amount of Redevelopment Property Tax Trust Fund (RPTTF) approved in the table below includes the prior period adjustment resulting from the CAC's audit of the Agency's self-reported prior period adjustment.

Except for the item denied in whole or in part as an enforceable obligation, Finance is not objecting to the remaining items listed on your ROPS 14-15A. If you disagree with the determination with respect to any items on your ROPS 14-15A, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

http://www.dof.ca.gov/redevelopment/meet_and_confer/

The Agency's maximum approved RPTTF distribution for the reporting period is $3,433,889 as summarized below:

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2014. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from

Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the successor agency in the RPTTF.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.
