LEGISLATIVE COUNSEL'S DIGEST

Bill No.

as introduced, _____.

General Subject: California State Lottery: informational reports.

The California State Lottery Act of 1984, an initiative measure, authorizes a California State Lottery and provides for its operation and administration by the California State Lottery Commission and the Director of the California State Lottery, with certain limitations. Existing law requires the director to make and keep books and records of specified transactions and other financial transactions of the lottery necessary to permit preparation of financial statements, and requires the director to provide a monthly cumulative sales report to the Lottery Commission and the Controller within 15 days after the end of each month.

This bill would require the director to provide, on an annual basis and in accordance with a certain timeline, specified informational reports to the Department of Finance, the Joint Legislative Budget Committee, and the budget committees of the Legislature.
