LEGISLATIVE COUNSEL'S DIGEST

Bill No.

as introduced, _____.

General Subject: Harbors and Watercraft Revolving Fund: report.

Existing law requires all moneys in the Harbors and Watercraft Revolving Fund to be available, upon appropriation by the Legislature, for expenditure by the Department of Parks and Recreation for boating facilities development, boating safety, and boating regulation programs, and for specified purposes relating to research and information designed to reduce loss of life and property in the operation of vessels, among other things. Existing law requires the Department of Parks and Recreation to submit to the Legislature, on or before January 1 of each year, a report describing the allocation and expenditure of funds made available to the department from the fund and from the Motor Vehicle Fuel Account in the Transportation Tax Fund attributable to taxes imposed on the distribution of motor vehicle fuel used or usable in propelling vessels during the previous fiscal year.

This bill would require that the report described above required to be submitted to the Legislature instead describe those allocations and expenditures from the fund and from that portion of the Motor Vehicle Fuel Account in the Transportation Tax Fund, transferred annually pursuant to a specified item in the Budget Act, attributable to taxes imposed on the distribution of motor vehicle fuel used or usable in propelling vessels during the previous fiscal year.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
