Bill No.
as introduced, _____.
General Subject: Adult Education Block Grant Program.

Existing law requires that adult schools and evening high schools consist of classes for adults. Existing law authorizes minors to be admitted into those classes pursuant to policies adopted by the governing board of the school district if those minors meet certain eligibility requirements.

Existing law establishes the Adult Education Block Grant Program under the administration of the Chancellor of the California Community Colleges and the Superintendent of Public Instruction. Under this program, the chancellor and Superintendent, with the advice of the executive director of the State Board of Education, are required to divide the state into adult education regions and approve one adult education consortium in each adult education region. Existing law requires funds apportioned for the program to be used only for the support of specified programs, including, among others, programs in elementary and secondary basic skills and programs for adults that are primarily related to the entry or reentry into the workforce.

This bill would additionally include the indirect costs of the program's consortium members, as specified, among the purposes that funds apportioned for the program may be used.
