LEGISLATIVE COUNSEL'S DIGEST

Bill No. _____
as introduced, _____
General Subject: Community Colleges Student Success Completion Grant.

Existing law establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, as one of the segments of public postsecondary education in this state. The board appoints a chief executive officer known as the Chancellor of the California Community Colleges. Under existing law, community college districts are authorized, among other things, to maintain and operate campuses, employ faculty and other employees, and provide instruction to students.

Existing law establishes the Community College Completion Grant Program, which, commencing with the 2017–18 academic year, requires participating community colleges to award grants to their students who meet specified requirements. Existing law requires the chancellor to report to the Legislature, on or before April 1, 2019, regarding grant award recipients for the 2017–18 award year, as specified.

This bill would repeal the existing Community College Completion Grant Program and instead, commencing with the 2018–19 academic year, would establish a new grant program, which would require participating community colleges to award grants to their students who meet specified requirements, contingent on funding being made available. The bill would require the chancellor to report to the Legislature, on or before April 1, 2020, regarding grant award recipients for the 2018–19 award year, as specified. The bill would make other conforming changes.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
