For purposes of this paragraph only, the following rules shall apply:

(A) The determination of the relative fair market values of the acquired assets and the total assets shall be made as of the last day of the first taxable year in which the taxpayer (or any related person) first uses any of the acquired trade or business assets in its business activity.

(B) Any acquired assets that constituted property described in Section 1221(a)(1) of the Internal Revenue Code in the hands of the transferor shall not be treated as assets acquired from an existing trade or business, unless those assets also constitute property described in Section 1221(a)(1) of the Internal Revenue Code in the hands of the acquiring taxpayer (or related person).

(2) In any case where a taxpayer (or any related person) is engaged in one or more trade or business activities in this state, or has been engaged in one or more trade or business activities in this state within the preceding 36 months ("prior trade or business activity"), and thereafter commences an additional trade or business activity in this state, the additional trade or business activity shall only be treated as a new business if the additional trade or business activity is classified under a different division of the Standard Industrial Classification (SIC) Manual published by the United States Office of Management and Budget, 1987 edition, than are any of the taxpayer's (or any related person's) current or prior trade or business activities.

(3) In a case in which a taxpayer, including all related persons, is engaged in trade or business activities wholly outside of this state and the taxpayer first commences doing business in this state (within the meaning of Section 23101) after December 31,

(4) In a case in which the legal form under which a trade or business activity is being conducted is changed, the change in form shall be disregarded and the determination of whether the trade or business activity is a new business shall be made by treating the taxpayer as having purchased or otherwise acquired all or any portion of the assets of an existing trade or business under the rules of paragraph (1).

(5) "Related person" shall mean any person that is related to the taxpayer under either Section 267 or 318 of the Internal Revenue Code.

(6) "Acquire" shall include any transfer, whether or not for consideration.

(7) (A) For taxable years beginning on or after January 1, 1997, the term "new business" shall include any taxpayer that is engaged in biopharmaceutical activities or other biotechnology activities that are described in Codes 2833 to 2836, inclusive, of the Standard Industrial Classification (SIC) Manual published by the United States Office of Management and Budget, 1987 edition, and as further amended, and that has not received regulatory approval for any product from the Food and Drug Administration.

(B) For purposes of this paragraph:

(i) "Biopharmaceutical activities" means those activities that use organisms or materials derived from organisms, and their cellular, subcellular, or molecular components, in order to provide pharmaceutical products for human or animal therapeutics and diagnostics. Biopharmaceutical activities make use of living organisms to make commercial products, as opposed to pharmaceutical activities that make use of chemical compounds to produce commercial products.

(ii) "Other biotechnology activities" means activities consisting of the application of recombinant DNA technology to produce commercial products, as well as activities regarding pharmaceutical delivery systems designed to provide a measure of control over the rate, duration, and site of pharmaceutical delivery.

~~(k)~~

(i) The Franchise Tax Board may reclassify any net operating loss carryover determined under either paragraph (2) or (3) of subdivision (b) as a net operating loss carryover under paragraph (1) of subdivision (b) upon a showing that the reclassification is necessary to prevent evasion of the purposes of this section.

(A)

(k) Except as otherwise provided, the amendments made by Chapter 107 of the Statutes of 2000 apply to net operating losses for taxable years beginning on or after January 1, 2000.

LEGISLATIVE COUNSEL'S DIGEST

Bill No.
as introduced, _____.
General Subject: Income taxation: deductions: net operating loss carrybacks.

The Personal Income Tax Law and the Corporation Tax Law allow various deductions in computing the income that is subject to the taxes imposed by those laws. Existing law allows net operating losses attributable to taxable years beginning on or after January 1, 2013, to be carrybacks to each of the preceding 2 taxable years, as provided.

This bill would disallow the use of net operating loss carrybacks by individual and corporate taxpayers.

This bill would include a change in state statute that would result in a taxpayer paying a higher tax within the meaning of Section 3 of Article XIII A of the California Constitution, and thus would require for passage the approval of $\frac{2}{3}$ of the membership of each house of the Legislature.

This bill would take effect immediately as a tax levy.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
