Mr. Ernesto Marquez, City Administrator  
City of Hawaiian Gardens  
21815 Pioneer Boulevard  
Hawaiian Gardens, CA 90716

Dear Mr. Marquez:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Hawaiian Gardens Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 14-15A) to the California Department of Finance (Finance) on February 27, 2014 for the period of July through December 2014. Finance has completed its review of your ROPS 14-15A, which may have included obtaining clarification for various items.

Based on our review, we are making the following adjustments to your ROPS 14-15A:

Upon clarification from the Agency; the funding for Item No. 11 – Bond Reserves in the amount of \$700,000 was incorrectly reported on this ROPS. The six-month Redevelopment Property Tax Trust Funds (RPTTF) amount requested for Item No. 11 is for principle debt service payments related to Item Nos. 2 and 3. At the Agency's request, Item No. 11 has been reduced to zero and the RPTTF requested for Item No. 2 has increased by \$525,000 and Item No. 3 by \$175,000. This change does not affect the total amount of RPTTF funding requested by the Agency.

Similarly, the Agency inadvertently did not report \$700,000 previously funded in ROPS 13-14B for debt service payments. It is our understanding; this amount is available for principal debt service payments related to Item Nos. 2 and 3. To capture the expenditure of funds, the Reserve Balances has increased by \$525,000 for Item No. 2 and \$175,000 for Item No. 3.

The administrative costs claimed are within the fiscal year administrative cap pursuant to HSC section 34171 (d). However, Finance notes the oversight board has approved an amount that appears excessive, given the number and nature of the other obligations listed on the ROPS. HSC section 34179 (i) requires the oversight board to exercise a fiduciary duty to the taxing entities. Therefore, Finance encourages the oversight board to apply adequate oversight when evaluating the administrative resources required to successfully wind-down the Agency.

Pursuant to HSC Section 34186 (a), successor agencies were required to report on the ROPS 13-14A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2012 period. HSC Section 34186 (a) also specifies

that the prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. The amount of RPTTF approved in the table below includes the prior period adjustment resulting from the CAC's audit of the Agency's self-reported prior period adjustment.

The Agency's maximum approved RPTTF distribution for the reporting period is \$1,763,486 as summarized below:

<b>Approved RPTTF Distribution For the period of July through December 2014</b>	
Total RPTTF requested for non-administrative obligations	1,651,532
Total RPTTF requested for administrative obligations	125,000
<b>Total RPTTF requested for obligations</b>	<b>\$ 1,776,532</b>
Agency requested adjustment to non-administrative obligations	
Item No. 2	525,000
Item No. 3	175,000
Item No. 11	(700,000)
<b>Total Agency requested adjustments</b>	<b>0</b>
Total RPTTF authorized for non-administrative obligations	1,651,532
Total RPTTF authorized for administrative obligations	125,000
<b>Total RPTTF authorized for obligations</b>	<b>\$ 1,776,532</b>
ROPS 13-14A prior period adjustment	(13,046)
<b>Total RPTTF approved for distribution</b>	<b>\$ 1,763,486</b>

Pursuant to HSC section 34177 (l) (1) (E), agencies are required to use all available funding sources prior to RPTTF for payment of enforceable obligations. During the ROPS 14-15A review, Finance requested financial records to support the cash balances reported by the Agency; however, Finance was unable to reconcile the financial records to the amounts reported. As a result, Finance will continue to work with the Agency after the ROPS 14-15A review period to properly identify the Agency's cash balances. If it is determined the Agency possesses cash balances that are available to pay approved obligations, the Agency should request the use of these cash balances prior to requesting RPTTF in ROPS 14-15B.

Please refer to the ROPS 14-15A schedule that was used to calculate the approved RPTTF amount:

<http://www.dof.ca.gov/redevelopment/ROPS>

This is Finance's final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2014. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the successor agency in the RPTTF.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.
