TO: Agency Secretaries
   Department Directors
   Departmental Budget Officers
   Department Accounting Officers
   Department of Finance Budget Staff

FROM: DEPARTMENT OF FINANCE

Note: Please forward a copy of this Budget Letter to your department’s/agency’s Chief Information Technology Officer.

As indicated in Management Memo 01-19 of September 17, 2001, the Department of General Services entered into an Enterprise License Agreement (ELA) with Oracle Corporation for the purchase of database licenses and technical support (i.e., “maintenance”). The ELA extends from May 31, 2001, through May 31, 2007.

In order to allocate the ELA costs appropriately to departments, the Department of Finance’s (Finance) Technology Investment Review Unit (TIRU) and Performance Review Unit (PRU) are administering a survey to determine current and planned usage of Oracle database products by all State agencies (excluding higher education agencies, which are not covered by the ELA). A questionnaire and worksheet have been developed to collect the necessary information. Attachment I is the questionnaire, and Attachment II is the worksheet (an Excel spreadsheet). Attachment III is a sample of a completed worksheet. The questionnaire and worksheet may be downloaded from the Finance website: http://www/dof.ca.gov/budlettr/budlets.htm. If you do not have Internet access, you may obtain the forms as an e-mail attachment or on a diskette from your TIRU analyst.

The questionnaire (and worksheet, if applicable) must be completed by ALL departments and agencies (even if you answered “No” to all the questions), and submitted to Finance, PRU, by November 16, 2001. Please note that the questionnaire must be signed by both the Chief Information Officer and the Budget Officer.

If you have any general questions about this Budget Letter, please contact your Finance TIRU analyst. If you have questions about completing the survey, please contact Judy Day, PRU, at (916) 445-1932, extension 3250.
