Requirements for year-end financial reports are included in State Administrative Manual (SAM) sections 7900 et seq. and the SCO's Year-End Financial Information manuals. These requirements should be reviewed in order to minimize problems. Departments should also develop a year-end work plan. Work plans are an essential tool in planning and monitoring financial activities to ensure the timely completion of the year-end financial reports.

Government Code (GC) section 12461.2 authorizes the SCO to withhold any or all operating funds from a department that fails to submit complete and accurate financial reports to the SCO within 20 days from the above due dates.

FI\$Cal Departments

Departments using the Financial Information System for California (FI\$Cal)/PeopleSoft for accounting functions will be required to submit financial reports produced from FI\$Cal. Month-end close requirements are provided in BL 17-02. Finance will continue to provide assistance and year-end training for departments using FI\$Cal. Departments should work with their Finance accounting analyst/manager and

FI\$Cal retention coordinator to make arrangements for additional support to meet the year-end deadlines. Departments may also contact Finance, FSCU for assistance at (916) 324-0385 or via e-mail at: fscuhotline@dof.ca.gov.

Consistency between Governor's Budget and Year-End Financial Reports

GC section 12460 requires information in the SCO's Budgetary/Legal Basis Annual Report to account for funds on the same basis as that of the applicable Governor's Budget and Budget Act. GC section 13344 requires state departments to prepare and maintain financial and accounting data for inclusion in the Governor's Budget, Budget Act and related documents, and the Budgetary/Legal Basis Annual Report described in section 12460, according to the methods and bases provided in regulations, budget letters, and other directives of Finance. The SCO's Annual Report reflects a culmination of information submitted by departments. It is critical that departments' submittal of year-end financial reports to the SCO reflects correct and reconciled information.

As specified in SAM section 6400, it is important that fund balance, revenues, expenditures, and other data included in the past year's presentation of the Governor's Budget reconciles with similar data that will be published in the SCO's Budgetary/Legal Basis Annual Report. Therefore, departments must ensure that data included in the budget documents reconcile with year-end financial reports. In very limited circumstances, there may be differences between the amounts in the Governor's Budget and the year-end financial reports (e.g., pending budget decisions or legislation).

Departments are required to submit fund reconciliation information to Finance during the development of the Governor's Budget. Last year's instructions for reconciling funds for the past year are available on Finance's website at: http://www.dof.ca.gov/Accounting/Policies_And_Procedures/Fund_Reconciliation/ for your reference. Information will be updated later this month to reflect this year's process.

If you have questions regarding this BL, please contact the FSCU Hotline at (916) 324-0385 or e-mail: fscuhotline@dof.ca.gov.
