**Amendment to Budget Bill Item 8180-101-0001, Local Assistance, Payment to Counties
for Costs of Homicide Trials**

Transfer of Expenditure Authority (Issue 110)—It is requested that Item 8180-101-0001 be decreased by \$254,000 to reflect a transfer to Item 0450-101-0001 (State Trial Court Funding). This is a conforming issue with Item 0450-101-0001 (Issue 110) which would increase State Trial Court Funding by \$254,000.

The Administrative Office of the Courts has indicated that courts in two counties (Mendocino and Shasta) were able to obtain funding from Payment to Counties for Costs of Homicide Trials because the county applied on its behalf. This request would transfer the actual level of reimbursements from 2002-03 that the courts were able to obtain (\$254,000) from Payment to Counties for Costs of Homicide Trials to the State Trial Court Funding. Trailer bill language and provisional language will be proposed that would prohibit the counties from accessing funds for the extraordinary costs of homicide trials on behalf of the courts. Since this is a transfer of appropriation authority, there is no effect on the General Fund as a result of this transfer.

The effect of my requested action is reflected on the attachment.

**Amendment to Budget Bill Items 8660-001-0462 and 8660-001-0471, Support, Public
Utilities Commission**

It is requested that Item 8660-001-0471 be increased by \$11,263,000 to more accurately align appropriations with anticipated program expenditures and that Item 8660-001-0462 be amended to reflect this change. The Universal Lifeline Telephone Service Fund (ULTS) provides discounted basic telephone services to low-income customers in order to ensure that basic telephone service is available and affordable for all households in the state. The Public Utilities Commission (PUC) approved the ULTS programmatic budget of \$251.0 million too late in the fall to be included in the Governor's Budget. This request would align the ULTS appropriation with the PUC's program expenditure forecast.

Amendment to Budget Bill Items 8940-301-0001 and 8940-301-0890; and Addition of Item 8940-490, Capital Outlay, Military Department

It is requested that Item 8940-490 be added to reappropriate Items 8940-301-0001 and 8940-301-0890 Budget Act of 2003.

70.83.010-Lancaster: Armory—Working drawings, construction, and equipment.

This reappropriation is necessary because environmental mitigation issues delayed the completion of the acquisition and preliminary plan phases.

It is requested that Items 8940-301-0001 and 8940-301-0890 be amended to add the project for the renovation and expansion of the Roseville Armory:

Extensive renovations of \$411,000 (General Fund) and \$202,000 (Federal Trust Fund) respectively, are needed at the Roseville Armory to replace the heating, plumbing, electrical, and telephone systems that are failing due to age. In addition, the current facility is overcrowded and needs to be expanded to accommodate necessary classrooms, and storage space. Placer County is the fastest growing county in the state and the Roseville Armory is the primary facility to train National Guard recruits for the county.

Addition of Budget Bill Item 9210-102-0001, Local Assistance, Local Government Financing (Issue 101)

Santa Barbara County Formation Commission loan (Issue 101)—It is requested that Item 9210-102-0001 be added in order to provide a \$400,000 General Fund loan to Santa Barbara County to fund its required duties associated with the proposed formation of a new county (Mission County). A petition to initiate the formation of Mission County has garnered the necessary signatures, and once this occurs, the Governor is statutorily required to appoint a five-member County Formation Review Commission to study the proposal. Santa Barbara County has indicated the costs associated with the Commission's study to be approximately \$400,000. Statute authorizes such loans, however, the maximum loan amount is \$100,000. Trailer bill language will be introduced to abolish the current revolving fund, increase the maximum loan from \$100,000 to \$400,000 and allow the State Controller to reduce the recipient county's Homeowners Property Tax subvention if the loan is not repaid. Repayment of the loan (with interest) will be due one year from when the issue of county formation is voted on by the people in Santa Barbara County.

The requested action is reflected on the attachment.
