### PROGRAM DESCRIPTIONS

#### 10 - EDUCATION

The Science Center Education exhibits and programs provide an opportunity for students, teachers, and families to explore how science is relevant to our everyday lives. Children and adults are inspired to learn science through educational exhibits and programs including lectures, seminars, films, after school programs, science summer camps, and teaching institutes led by eminent scientists from across the country. Hands-on experiences also introduce scientific principles in the context of the world that surrounds us. It is an approach intended to stimulate curiosity and challenge visitors to think, to question, and to see their world in an entirely new way. The Science Center is administered by a nine-member board of directors appointed by the Governor.

The Science Center Phase II Ecosystems is a 167,000 square foot expansion which features state-of-the-art exhibitions on eleven distinct ecosystems from around the globe. The Science Center, in cooperation with the Los Angeles Unified School District, operates a science- and math-focused elementary charter school, known as the Science Center School. The Science Center also operates the Center for Science Learning which offers professional development programs to improve the math and science skills of teachers. Finally, the Science Center includes a 3D IMAX theatre and the Air and Space Gallery.

## 1111 Department of Consumer Affairs Bureaus, Programs, Divisions

The Department of Consumer Affairs (DCA) is responsible for promoting and protecting the interests of millions of California consumers by serving as a guardian and advocate for their health, safety, and economic well-being and by promoting legal and ethical standards of professional conduct. The Department helps to promote good business practices and to ensure that California's consumers receive quality services by establishing minimal competency standards for more than 240 classifications involving approximately 2.5 million professionals. The Department is also an important advocate on consumer and business issues. In general, the DCA's Boards and Bureaus provide exams and licensing, enforcement, complaint resolution, and education for consumers.

In addition, centralized services are provided by the DCA for efficiency. Specifically, DCA staff investigate complaints against licensees; develop valid examinations for applicants for licensure; monitor and advocate for legislation; provide consumer education and outreach; provide legal and audit services; and provide general administrative support involving personnel, budgeting, accounting, purchasing, and space management.

There are currently seven bureaus and one certification program under the direct oversight of the DCA.

Additional information on the Department, and the various boards and bureaus, is available at [www.dca.ca.gov](http://www.dca.ca.gov).

### PROGRAM DESCRIPTIONS

#### 23 - ARBITRATION CERTIFICATION PROGRAM

The Arbitration Certification Program certifies and monitors arbitration programs offered by new car manufacturers to ensure that they substantially comply with state and federal regulations.

#### 24 - HEARING AID DISPENSERS BUREAU

The Hearing Aid Dispensers Bureau licenses and regulates hearing aid dispensers. The Bureau also protects hearing-impaired consumers by informing them of their legal rights and obligations when purchasing or returning hearing aids, and protects consumers by maintaining advertising standards.

Effective January 1, 2010, the Bureau was abolished and the duties of the Bureau were transferred to the Speech-Language Pathology and Audiology and Hearing Aid Dispensers Board pursuant to Chapter 309, Statutes of 2009 (AB 1535).

#### 25 - BUREAU OF SECURITY AND INVESTIGATIVE SERVICES

The Bureau of Security and Investigative Services ensures that only those who meet the prescribed qualifications to offer services as private investigators, repossessioners, uniformed security guards, private patrol operators, proprietary private security officers, alarm company operators, alarm agents, locksmiths, and firearm and baton training facilities be licensed; and enforces the regulations established by legislation for such licenses.

#### 27 - BUREAU FOR PRIVATE POSTSECONDARY EDUCATION

The former Bureau for Private Postsecondary and Vocational Education became inoperative on July 1, 2007. Chapter 67, Statutes of 2007 (AB 1525) provided the Department of Consumer Affairs (Department) limited, interim-operation authority until January 31, 2008. The passage of Chapter 635, Statutes of 2007 (SB 45) extended that period to July 1, 2008. For approximately two years, the Department operated under informal agreements with the private postsecondary institutions until Chapter 310, Statutes of 2009 (AB 48) created a new California Private Postsecondary Education Act that reinstated the Bureau for Private Postsecondary Education (Bureau) effective January 1, 2010.

The Bureau oversees and approves private postsecondary degree-granting institutions to ensure they meet specified minimum statutory standards concerning the quality of education, ethical and business practices, health and safety, and fiscal responsibility. The Bureau responds to student complaints and oversees a fund designed to help reimburse a student's tuition if a school closes unexpectedly.

#### 28 - BUREAU OF ELECTRONIC AND APPLIANCE REPAIR, HOME FURNISHINGS, AND THERMAL INSULATION

Effective October 23, 2009, Chapter 18, Statutes of 2009, (AB X4 20) combined the Bureau of Electronic and Appliance Repair and the Bureau of Home Furnishings and Thermal Insulation into a single bureau, the Bureau of Electronic and Appliance Repair, Home Furnishings, and Thermal Insulation (Bureau).

The Bureau registers and regulates all businesses engaged in major home appliance and electronic equipment repair by imposing specific obligations of ethical conduct, honesty, and full and fair disclosure, providing certain safeguards to consumers when they need repair services or enter into service contract transactions, and ridding the repair industry of unscrupulous repair dealers and service contractors. The Bureau also regulates the manufacture, distribution, and sale of upholstered furniture, bedding, and thermal insulation products sold in California to ensure they meet health, safety, and flammability standards.

#### 31 - BUREAU OF AUTOMOTIVE REPAIR

The Bureau of Automotive Repair is responsible for regulating the automotive repair marketplace and administering the Smog Check Program. To carry out its mandate, the Bureau educates consumers, disciplines stations and technicians, seeks resolution to complaints, and licenses individuals and businesses. The Bureau also administers the nation's largest motor vehicle emissions reduction program. To help in its clean air efforts, the Bureau also administers the Consumer

Assistance Program (CAP). Through CAP, consumers who own a vehicle that fails a biennial inspection and who meet certain eligibility requirements can receive financial assistance for emissions-related repairs. Further, consumers can receive a financial incentive to retire their unwanted vehicle at any time for any reason. The Bureau, in cooperation with the California Air Resources Board, also administers a voucher program that offers eligible consumers additional compensation toward the purchase of lower-emitting vehicles or transportation passes after they retire their vehicle through CAP.

### 35 - CONSUMER AFFAIRS ADMINISTRATION

#### 35.10.025 - Division of Investigation:

The Division of Investigation is vested with the statutory authority to investigate and enforce the laws administered by the client agencies within the Department to protect the health, safety, and welfare of consumers. The Division employs sworn, armed peace officers to provide objective, timely, and cost-effective investigative services for its client agencies.

#### 35.10.035 - Consumer and Client Services Division:

Effective July 1, 2010, the Consumer and Client Services Division includes the following three divisions:

The Administrative and Information Services Division serves to maximize the efficiency and effectiveness in the delivery of services, ensure proper oversight and accountability, and minimize duplication of effort. The Department centralizes several functions that support the administration and implementation of the goals of the regulatory boards and bureaus such as: policy direction, legal assistance, review of legislation, examination validation and assistance, information technology, accounting, budgets, personnel, and other administrative functions.

The Office of Public Affairs serves as the primary press office for the Department and is the primary developer of consumer alerts, fact sheets, and internet postings designed to raise awareness of consumer issues among consumers, the news media, and other stakeholders.

The Consumer and Community Relations Division is responsible for operation of the Consumer Information Center and the Complaint Resolution Program. The Consumer Information Center, through its toll-free telephone number, operates a call center that assists consumers and licensees by distributing publications and applications for licensure and providing referrals to other consumer resources. The Center also responds to written correspondence and conducts outreach to inform and protect consumers about marketplace trends and represents consumer interests at local, state, and federal levels. The Complaint Resolution Program mediates consumer complaints against licensees and registrants regulated by the bureaus of the Department of Consumer Affairs, participates in statewide consumer outreach at fairs and other community events, and conducts informational presentations for community and civic groups, schools, and other interested groups.

### 37 - TELEPHONE MEDICAL ADVICE SERVICES BUREAU

The Telephone Medical Advice Services Bureau is responsible for regulating businesses that provide medical advice by telephone to California residents. The Bureau ensures that providers of telephone medical advice are qualified licensed health-care professionals, informs patients of their rights, and pursues any reported harmful activities.

### 38 - CEMETERY AND FUNERAL BUREAU

The Cemetery and Funeral Bureau ensures that only qualified applicants receive licenses to operate cemeteries, crematories or funeral establishments, or act as funeral directors, embalmers, apprentice embalmers, cremated remains disposers, cemetery managers, crematory managers, cemetery brokers, or salespeople. The Bureau also ensures that licensees comply with applicable rules and regulations concerning the management of trust funds, permanence of mausoleums and columbariums, and the proper handling of human remains.

### 39 - BUREAU OF NATUROPATHIC MEDICINE

The Bureau of Naturopathic Medicine implements and enforces the Naturopathic Doctors Act by licensing and regulating naturopathic doctors in California. The Bureau ensures that naturopathic doctors meet required educational and practice standards before licensure and investigates complaints against its licensees, disciplining those individuals found guilty of violations of law or regulation.

Effective October 23, 2009, the Bureau was abolished and the duties of the Bureau were transferred to the Osteopathic Medical Board of California pursuant to Chapter 18, Statutes of 2009 (AB X4 20).

### 89 - PROFESSIONAL FIDUCIARIES BUREAU

The Professional Fiduciaries Bureau, established pursuant to Chapter 491, Statutes of 2006, implements and enforces the Professional Fiduciaries Act by licensing and regulating individuals who act as professional fiduciaries in California. The Bureau protects against fraud and abuse by those who are charged with the care of California's most vulnerable residents by ensuring that minimum competency standards are met by establishing educational and experience requirements, conducting examinations, investigating violations of professional ethics and law, and disciplining licensees when appropriate.

## 1760 Department of General Services

The Department of General Services provides centralized services to state agencies in the following areas: management of state-owned and leased real estate; approval of architectural designs for local schools and other state-owned buildings; printing services; procurement of commodities, services, and equipment for state agencies; and maintaining the state's vehicle fleet. Furthermore, the Department of General Services employs practices that support the Governor's green initiative to reduce energy consumption and help preserve California resources. The Director of General Services also serves on several state boards and commissions.

Because department programs drive the need for infrastructure investment, each department has a related capital outlay program to support this need. For the specifics on the Department of General Services' Capital Outlay Program, see "Infrastructure Overview."

### PROGRAM DESCRIPTIONS

#### 10 - BUILDING REGULATION SERVICES

With a multi-billion dollar annual investment in facilities for state offices and public schools, centralized responsibilities for inspection and approval are needed. This is achieved in the following ways: (a) Assuring protection of lives and property in public buildings through plan review and field supervision; (b) Ensuring that facilities constructed with state funds are accessible to the physically handicapped; (c) Developing uniform public health and safety regulations for state and public building construction; (d) Administering the State School Facility Program, which provides financial assistance to school districts for the development of school sites, construction, and modernization or replacement of school buildings; and (e) Adopting, codifying and publishing building standards for design and construction throughout California.

#### 15 - REAL ESTATE SERVICES

Centralized responsibilities for leasing, planning, acquisition, design, construction, maintenance, and operation are needed to ensure quality, avoid redundancy, and deliver property and facilities at the lowest possible cost. This is achieved by: (a) Providing adequate space for state operations at a cost below that which each agency could provide for itself; (b) Assuring protection of lives and property in public buildings through progressive design and proactive construction inspection; (c) Selecting the most qualified firms (both internal and external) to design and construct high quality facilities for other state departments to deliver their programs to the citizens of California; (d) Acquiring, managing, and disposing of real property assets for state agencies, and providing public service facilities with economy of operations and uniform practices for protecting the public's interests and ensuring equitable treatment of private property owners; and (e) Preserving the state's capital investment in buildings, grounds, and equipment through an efficient and effective centralized maintenance and operations program.

#### 20 - STATEWIDE SUPPORT SERVICES

To fulfill their program responsibilities, state agencies require support services for business transactions and activities which are basic to their organizational functions. These operational requirements include procurement of materials, communication, transportation, printing, and related business and office services. Other state agency support requirements include consulting services for legal contracts and insurance management. Additionally, licensing agencies require services of hearing officers for alleged violations by license holders. These diverse services are more effectively and economically provided under a consolidated program which centralizes resources, capabilities, talents, and facilities for efficient response to support requirements of client state agencies.

## 1870 California Victim Compensation and Government Claims Board

The governing body of the California Victim Compensation and Government Claims Board (VCGCB) consists of three members: the Secretary of the State and Consumer Services Agency who serves as the chair, the State Controller, and a public member appointed by the Governor. The VCGCB provides responsive financial compensation to remedy the financial burdens of victims of crime through a stable Restitution Fund, and for those with claims against the State, an opportunity to resolve those claims or proceed with other remedies. The primary objectives of the VCGCB are to:

- Compensate victims of violent crime and eligible family members for certain crime-related financial losses.
- Review and act upon civil claims against the state for money or damages.
- Resolve bid protests with respect to the awarding of state contracts for the procurement of goods and services.
- Provide for reimbursement of counties' expenditures for special elections called for by the Governor to fill vacant seats in the Legislature and Congress.
- Determine the eligibility of individuals for compensation for pecuniary injury sustained through erroneous conviction and imprisonment.
- Process claims for the Missing Children Reward Program to assist local law enforcement agencies or other parties involved in the identification and recovery of missing children in California.
- Assist with the administration of the California State Employees Charitable Campaign.
- Process claims through the Good Samaritan Program to private citizens who are injured rescuing another person, preventing a crime, or assisting a law enforcement officer.

### PROGRAM DESCRIPTIONS

#### 11 - VICTIM COMPENSATION

This program reimburses certain expenses of victims of crime in California who are injured or threatened with injury and suffer financial hardship as a direct result of a violent crime. The victim of a qualifying crime, and eligible family members, may file a claim with the VCGCB for program benefits.

#### 12 - FISCAL SERVICES DIVISION

This division includes Accounting, Budgets, and the Revenue Recovery Program. The Revenue Recovery Program serves victims of crime in California by maintaining the fiscal stability of the Restitution Fund through the recovery of monies owed from restitution fines and orders. The Program's chief emphasis is to educate the criminal justice community (the judiciary, district attorneys, chief probation officers, and court administrators) on the importance of the consistent imposition and collection of restitution fines and orders. The program also partners with the Department of Corrections and Rehabilitation,

## 1900 Public Employees' Retirement System

The California Public Employees' Retirement System (CalPERS) administers retirement and health benefits for over 1.6 million active employees and retirees of state and local agencies in California. Benefits include retirement, disability, and survivor's retirement benefits; Social Security for state employees; and the development, negotiation, and administration of contracts with health maintenance organizations, group hospitals, and medical insurance plans. In addition, CalPERS administers a long-term care program for members and eligible individuals.

CalPERS is governed by a Board of Administration. The California Constitution provides that the Board of Administration has authority over the administration of the retirement system; therefore, the budget data presented here is for informational purposes only, with the exception of the component of the Health Benefits Program funded from the Public Employees' Contingency Reserve Fund.

### PROGRAM DESCRIPTIONS

#### 10 - RETIREMENT

Through this program, CalPERS provides retirement planning education, service and disability retirement, refunds, and survivor and death benefits for employees of California public employers. CalPERS provides special benefits based on death or disability incurred in the line of duty for members in certain occupations. As of June 30, 2010, there were 1,116,044 active and inactive members, and 505,862 retirees, survivors, and beneficiaries under the CalPERS system.

Basic retirement benefits are generally based upon three factors: age at retirement, years of service, and final compensation. There are different formulas for each of the member categories, such as Miscellaneous, Industrial, Peace

Officer/Firefighter, California Highway Patrol, and Safety. Over 50 contract options are available to local cities, counties, and districts that contract with CalPERS. Benefits are modified by the selection of one of several options and by the employee's membership category. A member's retirement and death benefits are determined by contract provisions.

As of June 30, 2010, there were 3,026 public agency and school district employers providing CalPERS retirement, death, and survivor benefits to California public employees. CalPERS benefits are transferable for members who continue their careers with many other public employers in California as a result of agreements between CalPERS and other public agency retirement systems.

CalPERS also administers the Legislators' and Judges' Retirement Systems.

### 30 - HEALTH BENEFITS

The Health Benefits Branch program contracts with health maintenance organizations, claim administrators, employee associations, and others to provide health and long-term care insurance for state, California State University, and local public agency employees, retirees, and their dependents. The program negotiates and monitors health plan contracts; develops cost-effective programs; provides enrollment services to members and employers; and meets and confers with employee organizations and employer representatives.

Additionally, this program maintains demographic and statistical information systems; establishes standards for Basic, Supplement to Medicare, and Managed Medicare health plans; establishes and maintains health benefits coverage for all eligible employees and retirees; provides accurate and timely accounting for participating agencies; and serves as an impartial intermediary between CalPERS enrollees and insurance carriers in resolving claim and service disputes.

### 40 - INVESTMENT OPERATIONS

Through this program, CalPERS invests funds in various investment categories (stocks, bonds, real estate, etc.) for the purpose of minimizing the employers' contributions to the system needed to provide benefits to active participants, retired members, and their beneficiaries. Since CalPERS was established in 1932, assets have grown from \$800,000 to a total of \$200 billion, as of June 30, 2010.

### 50 - ADMINISTRATION

This program provides executive direction, specialized information, and administrative support necessary to administer all of the CalPERS programs. The various services include: Audits, Diversity Outreach, Executive, Fiscal Services, Human Resources, Information Technology Services, Legal, Enterprise Compliance, Governmental Affairs, Operation Support, Strategic Management Services, Public Affairs, and the Information Security Office.

### PROGRAM DESCRIPTIONS

#### 10 - SERVICE TO MEMBERS AND EMPLOYERS

The primary functions of the California State Teachers' Retirement System (CalSTRS) are as follows:

- Maintain a financially sound retirement system.
- Maintain an efficient operational system for the administration of CalSTRS.

\* Dollars in thousands, except in Salary Range.

## 1920 State Teachers' Retirement System - Continued

- Continuously improve the delivery of benefits, products and services to CalSTRS members.
- Develop and improve upon benefits and products to CalSTRS members.

CalSTRS Board has exclusive control over the investment and administration of the Teachers' Retirement Fund. The Board makes rules, sets policies, and has the power and authority to hear and determine all facts pertaining to application for benefits under the retirement system. The twelve-member Board consists of four ex-officio members, including the Superintendent of Public Instruction, the State Treasurer, the State Controller, and the Director of Finance. The Governor-appointed members of the Board include three Public Members, one retiree of CalSTRS, and one school board member or community college trustee. Three representatives are elected by active CalSTRS members.

Income to CalSTRS is derived from contributions from members and employing school districts, appropriations from the General Fund, and investment earnings (see 6300-Teachers' Retirement System Contributions for state contributions for benefits). The cost of administration is paid from the Teachers' Retirement Fund as provided in Section 22304(a) of the Education Code.

CalSTRS is responsible for the determination and payment of benefits to members, retirees, and their beneficiaries, and for the distribution of information to all members, employers, and other interested groups. CalSTRS' Defined Benefit Program includes service retirement, benefits for survivors, and disability benefits. The basic retirement allowance is determined on the basis of a member's age, years of credited service, and final compensation. The member may modify the basic allowance by selecting a joint and survivor annuity option to provide benefits for their beneficiary after the member dies. Generally, the payments of benefits are made within 30 days following the effective date of the member's retirement.
