

Labor and Workforce Development

The Labor and Workforce Development Agency was established to address issues relating to California workers and their employers. The Agency is responsible for labor law enforcement, workforce development, and benefit payment and adjudication. The Agency works to combat the underground economy and help legitimate businesses and workers in California through a combination of enforcement and education activities.

7100 Employment Development Department

The Employment Development Department (EDD) enhances California's economic growth and prosperity by collaboratively delivering valuable and innovative services to meet the evolving needs of employers, workers, and job seekers. The EDD connects employers with job seekers, administers the Unemployment Insurance, Disability Insurance, and Paid Family Leave programs, and provides employment and training programs under the federal Workforce Innovation and Opportunity Act. Additionally, the EDD collects various employment payroll taxes including the personal income tax, and collects and provides comprehensive economic, occupational, and socio-demographic labor market information concerning California's workforce. Since department programs drive the need for infrastructure investment, each department has a related capital outlay program to support this need. For the specifics on the EDD's Capital Outlay Program see "Infrastructure Overview."

PROGRAM DESCRIPTIONS

5900 - EMPLOYMENT AND EMPLOYMENT RELATED SERVICES

The objective of the Employment and Employment Related Services Program is to provide a variety of services to facilitate a match between employers' needs and job seekers' skills. In addition to providing an Internet labor exchange system to facilitate this match, job seeker skills are enhanced through a variety of case-managed programs. These programs are designed to provide specialized services to job seekers needing extra assistance, such as CalWORKS recipients, parolees, veterans, youth, persons with disabilities and long-term unemployed individuals. There are also EDD sponsored Experience Unlimited locations designed for executive, technical, and professional job seekers to assist each other in finding suitable employment.

5910 - TAX COLLECTIONS AND BENEFIT PAYMENTS

The Unemployment Insurance (UI) and Disability Insurance (DI) benefit payment programs provide monetary relief to alleviate hardships on California workers who undergo periods of unemployment and to help stabilize the economy. The UI program provides short-term income replacement for individuals who are unemployed through no fault of their own. The DI program minimizes the financial hardships by providing benefits and services to eligible persons with disabilities. The Paid Family Leave program provides benefits to individuals who take time off from work to care for a seriously ill child, spouse, parent, domestic partner, grandparent, grandchild, sibling, parent-in-law or to bond with a new minor child.

The EDD collects over one third of California's General Fund revenues and is one of the largest tax collection agencies in the nation. The EDD works with employers to collect California's employment taxes and data to support the employment security, child support, and personal income tax programs.

5915 - CALIFORNIA UNEMPLOYMENT INSURANCE APPEALS BOARD

The California Unemployment Insurance Appeals Board is a quasi-judicial agency whose primary purpose is to conduct impartial hearings and issue prompt decisions to resolve disputed unemployment and disability determinations, and EDD tax liability assessments. The Appeals Board consists of five members, three of which are appointed by the Governor and one each by the Senate Rules Committee and the Speaker of the Assembly.

* Dollars in thousands, except in Salary Range. Numbers may not add or match to other statements due to rounding of budget details.

7100 Employment Development Department - Continued

The Appeals Board reviews appeals from the decisions rendered by field judges in the state's regional offices. In addition, the Appeals Board may designate its decisions as precedent decisions, which constitute the foundations of the various benefit programs that fall within the Appeals Board's jurisdiction.

5920 - UNEMPLOYMENT INSURANCE PROGRAM

The Unemployment Insurance (UI) benefit payment program provides monetary relief to alleviate hardships on California workers who undergo periods of unemployment and to help stabilize the economy. The UI program provides short-term income replacement for individuals who are unemployed through no fault of their own.

5925 - DISABILITY INSURANCE PROGRAM

The Disability Insurance program minimizes the financial hardships faced by eligible workers with disabilities by providing monetary benefits and services to those individuals. The Paid Family Leave program provides benefits to individuals who take time off from work to care for a seriously ill child, spouse, parent, domestic partner, grandparent, grandchild, sibling, parent-in-law or to bond with a new minor child.

5930 - TAX PROGRAM

The EDD's Tax Program collects over one third of California's General Fund revenues and is one of the largest tax collection agencies in the nation. The EDD works with employers to collect California's employment taxes and data to support the employment security, child support, and personal income tax programs.

5935 - EMPLOYMENT TRAINING PANEL

The Employment Training Panel (ETP) is a statewide program that supports California's economy and employers, including small businesses, in training workers needed to compete in the global economy while providing workers with reasonable wages and secure employment. The ETP is a significant economic development tool for business attraction and business retention and works in partnership with business, labor, and government. The ETP, in conjunction with state and local partners, prioritizes special economic development initiatives with the objective of retaining and creating high-skilled, high-paying jobs throughout the state.

5940 - WORKFORCE INNOVATION AND OPPORTUNITY ACT

The EDD administers the federal Workforce Innovation and Opportunity Act (WIOA) which replaced the Workforce Investment Act Program on July 1, 2015. The WIOA offers a comprehensive range of workforce development activities through statewide and local organizations. Available workforce development activities provided via America's Job Centers of California in local communities benefit job seekers and employers, laid-off workers, youth, incumbent workers, new entrants to the workforce, veterans, and persons with disabilities. These activities range from self-assisted access to employment-related information to job skills training programs. The purpose of these activities is to promote an increase in the employment, job retention, earnings, and occupational skills of participants.

5945 - NATIONAL DISLOCATED WORKER GRANTS

The National Dislocated Worker Grants Program, which was previously referred to as National Emergency Grant Program, consists of federal Department of Labor funds that are used to respond to a sudden and significant dislocation of workers due to emergencies such as flooding, earthquakes, freezes, wildfires, or major business cutbacks. This authority allows the state to react immediately when the federal government makes this funding available.

PROGRAM DESCRIPTIONS

6080 - SELF-INSURANCE PLANS

This program regulates workers' compensation self-insurance plans by verifying that each self-insured employer and group of employers that is issued a Certificate of Consent to Self-Insure meets the statutory requirements for self-insuring, and is actually able to provide workers' compensation benefits to employees. The program also ensures that each self-insured private-sector employer posts a security deposit adequate to pay all workers' compensation benefits in the event that the employer defaults on its obligations.

6090 - DIVISION OF WORKERS' COMPENSATION

The Division of Workers' Compensation monitors the administration of workers' compensation claims, attempts to minimize disputes through outreach to employers and injured workers by providing program information and assistance, and provides administrative and judicial services to resolve disputes that arise in connection with claims for workers' compensation benefits. The Division conducts audits of workers' compensation claims administrators to ensure compliance with the benefit delivery system required by the Labor Code, and authorizes payment of workers' compensation benefits to injured workers from the Uninsured Employers Benefit Trust Fund and the Subsequent Injuries Benefit Trust Fund. The Division promotes the practice of early and sustained return to work of injured employees. The Division also administers a workers' compensation information system designed to provide information to policymakers regarding the effectiveness and efficiency of the benefit delivery system.

The Workers' Compensation Appeals Board reviews petitions for reconsideration of decisions issued by the workers' compensation judges in the Division, participates in appellate court proceedings as necessary or when requested by the court, and regulates the workers' compensation adjudication process.

6095 - COMMISSION ON HEALTH AND SAFETY AND WORKERS' COMPENSATION

The Commission on Health and Safety and Workers' Compensation is responsible for: (1) issuing an annual report on the state of the workers' compensation system, including recommendations for administrative or legislative modifications which would improve the operation of the system; (2) conducting specified surveys and evaluations required by law; (3) conducting continuing examination of the workers' compensation system and the state's activities to prevent industrial injuries and occupational diseases, including making recommendations on how to improve the workers' compensation and health and safety program, and if it deems appropriate, conducting or contracting for studies necessary to carry out its responsibilities; (4) maintaining the occupational safety and health training and education program and funding an insurance loss control services coordinator; and (5) issuing, if necessary, a report and recommendations on the improvement and simplification of the notices required to be provided by insurers and self-insured employers.

6100 - DIVISION OF OCCUPATIONAL SAFETY AND HEALTH

The objectives of this program include the promotion and enforcement of measures to protect the health and safety of workers on the job and the safe operation of elevators, amusement rides, aerial passenger tramways, and pressure vessels for the benefit of the general public. These objectives are accomplished by the coordinated efforts of the Division of Occupational Safety and Health (DOSH), the Occupational Safety and Health Standards Board (Standards Board), and the Occupational Safety and Health Appeals Board (Cal/OSHA Appeals Board).

DOSH enforces occupational safety and health standards, investigates the causes of occupational deaths and injuries, and helps employers to maintain safe and healthful working conditions. DOSH conducts inspections of, and issues permits to operate, elevators and other conveyances, amusement rides, aerial passenger tramways, and pressure vessels. The inspection and permitting process is the primary method used to enforce standards governing the safe operation of these devices. Under the administrative direction of the Office of the Director, DOSH also obtains and maintains job safety records, reports, and statistics; measures the effectiveness of accident and illness prevention efforts in the workplace; and provides accurate information pertaining to industrial relations to help inform legislative and administrative decisions made by state and local government.

The Standards Board is an independent body consisting of seven members appointed by the Governor and is composed as follows: one member from the general public, two members from the field of management, two members from the field of labor, one member from the field of occupational health, and one member from the field of occupational safety. It is the sole agency in the state empowered to adopt, amend, or repeal the occupational safety and health standards and public safety standards enforced by DOSH.

The Cal/OSHA Appeals Board is an independent judicial body empowered by state law to resolve employer appeals of citations and accompanying monetary civil penalties issued by DOSH for violations of occupational safety and health standards. It is comprised of three members appointed by the Governor, consisting of one member from the general public, one member from the field of management, and one member from the field of labor.

6105 - DIVISION OF LABOR STANDARDS ENFORCEMENT

The objectives of this program include: (1) interpretation and enforcement of sections of the Labor Code which relate to wages, hours of work, and conditions of employment, including anti-retaliation laws addressing employees engaged in protected activities, as well as implementing Industrial Welfare Commission Wage Orders (as applicable); (2) determination

7350 Department of Industrial Relations - Continued

and collection of unpaid wages; 3) the licensing of farm labor contractors, industrial homework firms, and talent agencies; the certification of studio teachers; the registration of garment manufacturers, car washing and polishing businesses, and entities and individuals using minors in door-to-door sales; and permitting for both the employment of minors in the entertainment industry and the individuals representing or providing services to minors in the entertainment industry; (4) field enforcement of laws governing public works, workers' compensation insurance, child labor, unlicensed contractors, rules governing meals and rest periods, the payment of overtime and minimum wage, the licensing of specific industries, and the payment of wages without required deductions; (5) under the administrative direction of the Director's Office, vigorous and targeted enforcement in partnership with state and federal agencies against unscrupulous businesses participating in the "underground economy" and administration of the prevailing wage program, to determine and publish prevailing wage rates for public works projects; (6) enforcement of apprenticeship related requirements relative to public works projects; and (7) management of the Electrician Certification Program that tests for the minimum standards for competency and training for electricians in California.

6110 - DIVISION OF APPRENTICESHIP STANDARDS

The objectives of this program are to promote, develop, and expand on-the-job training and apprenticeship programs and to provide consultation services to program sponsors. The Division's goal is to match the needs of workers with those of employers, and to strengthen the apprenticeship alliance among industry, labor, education and government for recruiting workers and teaching the skills they and their employers need.

The Division administers the apprenticeship system in California. This includes initial program approval and subsequent oversight activity such as annual reviews and audits as required by the Labor Code to ensure that apprenticeship programs and employers are in compliance with approved standards and labor laws.

The California Apprenticeship Council issues regulations to carry out the intent of the state apprenticeship law and sets the general policy under which this program operates.

6120 - CLAIMS, WAGES, AND CONTINGENCIES

The objectives of this program are to pay claims, wages, or contingency benefits, and to provide for payment of workers' compensation benefits to employees whose illegally uninsured employers have failed to make the benefit payments required under the Labor Code.

The Labor Code establishes special accounts in which the Labor Commissioner deposits a portion of each Farm Labor Contractor's, Garment Manufacturer's, and Car Wash Operator's annual license fee. Funds from these accounts are to be disbursed for any wages to employees which exceed the limits of a licensee's bond or time certificate.
