**Amendment to and Addition of Various Budget Bill Items, Support and Local Assistance,
State Department of Education**

Federal Funds Adjustment

Item 6100-001-0890, Support, State Department of Education (SDE) (Issues 102 and 245)

Enhanced Assessment Grant (Issue 102)—It is requested that Schedule (1) of this item be increased by \$1,574,000 for the federal Enhanced Assessment Grant (EAG). The EAG is a three-year grant for states to enhance their assessment instruments and accountability systems used to measure academic achievement. Specifically, this funding supports the development of new test items, digital resources, tools and methodologies to assess how results on the Smarter Balanced high school assessments can be used to make inferences about college and career readiness. The total amount of EAG funds awarded to California is \$2,691,000 for fiscal years 2015-16 through 2017-18.

It is further requested that provisional language be added as follows to conform to this action:

24. Of the amount appropriated in this item, \$1,574,000 is for the development of enhanced career and college readiness indices for the Smarter Balanced high school assessments.

Special Education Dispute Resolution Services (Issue 245)—It is requested that Schedule (1) of this item be increased by \$2,653,000 federal Individuals with Disabilities Education Act funds to support increased costs associated with special education dispute resolution services, which are required by state and federal law. The SDE contracts with the Office of Administrative Hearings to provide these services, which include hearings, mediations, and related due process activities. The number of claims filed and the cost per case have increased over the past few years. The 2015 Budget Act included \$1,890,000 in additional one-time funding to support these costs. The additional federal funds will support the SDE's higher contract costs.

It is further requested that provisional language be amended as follows to conform to this action:

"5. Of the funds appropriated in this item, ~~\$40,861,000~~ \$13,514,000 is for dispute resolution services, including mediation and fair hearing services, provided through contract for the special education programs. The State Department of Education shall ensure the quarterly reports that the contractor submits on the results of its dispute resolution services include the same information as required by Provision 9 of Item 6110-001-0890 of the Budget Act of 2006 (Chs. 47 and 48, Stats. 2006) and Section 56504.5 of the Education Code and reflect year-to-date data and final year-end data."

Item 6100-001-0890 and 6100-201-0890, Support and Local Assistance, Transfer of the Commodity Supplemental Food Program (Issues 727 and 728)—It is requested that Schedule (2) of Item 6100-001-0890 be decreased by \$108,000 Federal Trust Fund and that 1 position be eliminated, and that Schedule (1) of Item 6100-201-0890 be decreased by \$4,541,000 Federal Trust Fund to reflect the permanent transfer of the Commodity Supplemental Food Program from the SDE to the Department of Social Services (DSS). This program originally served low-income women, children, and seniors. Given that federal law was changed to limit eligibility to low-income seniors, the DSS is better suited to administer the program. Conforming augmentations will be proposed for the DSS budget to allow for the administration of the program.

Item 6100-104-0890, Local Assistance, Project Advancing Wellness and Resilience in Education (AWARE) Grant (Issue 808)—It is requested that Schedule (1) of this item be increased by \$975,000 Federal Trust Fund to reflect the availability of one-time carryover funds. Project AWARE is a five-year grant program that provides funding for the SDE and local educational agencies (LEAs) to increase awareness of mental health issues among school-aged youth, provide Mental Health First Aid training to teachers and other school personnel, and ensure students with signs of mental illness are referred to appropriate services.

It is further requested that provisional language be added as follows to conform to this action:

1. Of the funds appropriated in this item, \$975,000 is provided in one-time federal carryover funds to support the existing program.

Item 6100-119-0890, Local Assistance, Neglected and Delinquent Children Program (Issue 809)—It is requested that Schedule (1) of this item be decreased by \$353,000 federal Title I funds to align to the federal grant award. This program provides supplemental instruction, including math and literacy activities, to children and youth in state institutions for juveniles and in adult correctional institutions to ensure that these youth make successful transitions to school or employment.

Item 6100-125-0890, Local Assistance, Migrant Education Program, Migrant Education State-Level Activities, and English Language Acquisition Program (Issues 810, 811, and 812)—It is requested that Schedule (1) of this item be increased by \$14,301,000 federal Title I, Part C funds, to reflect a \$7,301,000 increase to the federal grant award and \$7 million in one-time carryover. This program provides educational support services to meet the needs of highly-mobile children.

It is further requested that provisional language be added as follows to conform to this action:

2. Of the funds appropriated in Schedule (1), \$7,000,000 is provided in one-time federal Title I, Part C carryover funds, to support the existing program.

It is also requested that Schedule (2) of this item be decreased by \$7,020,000 federal Title I, Part C funds, to align to the federal grant award. The state-administered Migrant Education programs include the Binational Migrant Education Program, Minicorps Program, and the Migrant Student Information Network.

It is also requested that Schedule (3) of this item be increased by \$5,112,000 federal Title III funds to reflect a \$2,612,000 increase to the federal grant award and \$2.5 million in one-time carryover funds. This program provides services to help students attain English proficiency and meet grade level academic standards.

It is further requested that provisional language be added as follows to conform to this action:

3. Of the funds appropriated in Schedule (3), \$2,500,000 is provided in one-time federal Title III carryover funds to support the existing program.

Item 6100-134-0890, Local Assistance, Basic Elementary and Secondary Education Act Program, School Improvement Grant Program, and Federal Title I Set Aside for the Local Educational Agency Corrective Action Program (Issues 104, 105, and 106)—It is requested that Schedule (2) of this item be decreased by \$28 million federal Title I funds to reflect a decrease in the amount that must be set aside for purposes of corrective action. The LEA Corrective Action Program provides funding for technical assistance to LEAs entering federal corrective action, and the grant allows the SDE to set aside up to 4 percent for this purpose.

It is also requested that Schedule (3) of this item be increased by \$1,630,000 federal Title I funds to reflect the availability of \$1,480,000 in one-time carryover funds and a \$150,000 increase to the available federal grant award. The SDE awards school improvement grants to LEAs with the persistently lowest-achieving Title I schools to implement evidence-based strategies for improving student achievement.

It is further requested that provisional language be added as follows to conform to this action:

7. Of the funds appropriated in Schedule (3), \$1,480,000 is provided in one-time carryover funds to support the existing program.

It is also requested that Schedule (4) of this item be increased by \$138,855,000 federal Title I funds to reflect a \$109,755,000 increase to the federal grant award and \$29.1 million in one-time carryover funds. LEAs use these funds to support services that assist low-achieving students enrolled in the highest poverty schools.

It is further requested that provisional language be added as follows to conform to this action:

8. Of the funds appropriated in Schedule (4), \$29,100,000 is provided in one-time carryover funds to support the existing program.

Item 6100-136-0890, Local Assistance, McKinney-Vento Homeless Children Education Program (Issue 813)—It is requested that Schedule (1) of this item be increased by \$810,000 federal Title X, Part C funds, to reflect a \$617,000 increase to the federal grant award and \$193,000 in one-time carryover funds. This program provides a liaison to ensure homeless students have access to education, support services, and transportation.

It is further requested that provisional language be added as follows to conform to this action:

1. Of the funds appropriated in this item, \$193,000 is provided in one-time federal Title X, Part C carryover funds, to support the existing program.

Item 6100-137-0890, Local Assistance, Rural and Low-Income Schools Program (Issue 814)—It is requested that Schedule (1) of this item be increased by \$131,000 federal Title VI funds to align to the federal grant award. This program provides financial assistance to rural districts to help them meet federal accountability requirements and to conduct activities of the federal Elementary and Secondary Education Act program.

Item 6100-156-0890, Local Assistance, Adult Education Program (Issue 549)—It is requested that this item be increased by \$8,790,000 federal Title II funds to reflect \$6.5 million in one-time carryover funds and a \$2,290,000 increase to the federal grant award. The Adult Education Program supports the Adult Basic Education, English as a Second Language, and Adult Secondary Education programs.

It is further requested that provisional language be added as follows to conform to this action:

LEAs receive these entitlements to provide special education services for students with disabilities.

It is further requested that provisional language be added as follows to conform to this action:

11. Of the funds appropriated in Schedule (1), \$5,000,000 is provided in one-time federal Individuals with Disabilities Education Act carryover funds to support the existing program.

It is also requested that Schedule (3) of this item be increased by \$1,832,000 federal IDEA funds to reflect an increase to the federal grant award. This program provides special education and related services for children aged three, four, and five, who are not in kindergarten.

It is also requested that Schedule (4) of this item be increased by \$415,000 federal IDEA funds to reflect the availability of one-time carryover funds. This program, also known as Project Read, funds efforts to increase reading and English Learning Arts outcomes for students with disabilities at a selected group of low-performing California middle schools.

It is further requested that provisional language be amended as follows to conform to this action:

"7. Of the funds appropriated in Schedule (4), ~~\$2,190,000~~ \$2,605,000 is provided for scientifically based professional development as part of the State Personnel Development grant. Of this amount, \$415,000 is one-time carryover funds."

Amendment to Budget Bill Item 6980-001-0001, Support, California Student Aid Commission

It is requested that Item 6980-001-0001 be decreased by \$511,000 to reflect the removal of one-time funds appropriated in the 2015 Budget Act for information technology consulting. These funds were inadvertently included in the 2016 Governor's Budget.

The effect of my requested action is reflected on the attachment.

If you have any questions or need additional information regarding this matter, please call Christian Osmena, Principal Program Budget Analyst, at (916) 445-0328.
