### Galley Displays and Cross Ties

#### 3-Year Expenditures and Positions

- This display features two different sections;
  - Expenditures and Positions by Program provides budgetary expenditure and FTE totals by program.
  - Expenditures by Fund provides budgetary expenditure totals by fund.
- Totals are statewide total budgetary expenditures for support under this BU, and will tie to the DAA and Exp by Program totals.

#### **Detailed Budget Adjustments (DBA)**

- The DBA display shows CY and BY budgetary expenditures and FTEs for all new BCPs, ECPs, and BBAs.
- BBAs must be coded with one of the 13 BBA types in the Baseline Adjustment Type tab.
- Total Baseline Adjustments represent the sum of all expenditure issues (BRs) and do not reflect Current Service Level (CSL) or Revenues, Revenue Transfers, and Loans (RTLs).

### **Detailed Expenditures by Program**

- This display gives a detailed breakdown of program expenditures by fund.
- Subprograms are indented and display above the parent program.
- Totals are statewide total budgetary expenditures for support under this BU, and will tie to the DAA and 3Yr Exp and Position totals.

### **Expenditures by Category**

- Expenditures by Category displays expenditures and positions by character by AC Code.
- Net Totals, Salaries and Wages = AC 510s, Staff Benefits = AC 515s, Operating Expenses and Equipment = AC 53s, Special Items of Expenses = AC 54s except 5432, Unclassified Expenditures = AC 55s, Local Assistance = AC 5432
- Net Totals, Salaries and Wages line will tie to the Changed in Authorized Position totals.
- The sum of the total state operations, local assistance, and unclassified expenditures are the statewide total budgetary expenditures, and will tie to the bottom lines of the 3Yr Exp and Position, DAA, and Exp by Program displays.

#### **Detail of Appropriations and Adjustments**

- The DAA is the only section that displays request amounts, savings, carryovers, and budgetary expenditures by fund in CY and BY. Appropriations are displayed by Item and BR title. PY displays budgetary expenditure amounts and nets PY budget adjustments, saving and carryover.
- Bottom line Totals are statewide total budgetary expenditures for support under this BU, and will tie to the 3Yr Exp and Position and Exp by Program sections totals.

#### **Fund Condition Statements**

- The FCS section displays detailed components of a fund including; Beginning balance, Expenditures, Revenues, Transfers and Loans.
- It contains the only revenue information in BU galleys.
- A fund will only appear in the fund administrator's galley, and not in a fund user's.
- All special funds and a few bond and other nongovernmental funds have fund condition statements.
- Each line in the expenditure section of the FCS represents the total budgetary expenditures by character from that fund.

#### **Changes in Authorized Positions**

- CIAP displays by job classification, FTEs, and salaries and wages dollars from the Position Change Request tab.
- If the FTEs or salaries and wages dollars do not comp to the bottom number, it is likely that the user did not complete the Position Change Request tab in the BR to reflect all AC\_510s or FTEs from BCPs.
- Totals Salaries and Wages line will tie to the Net Totals. Salaries and Wages line in the Exp by Category.

#### **MAJOR PROGRAM CHANGES**

- Managed Care Organization Tax The Administration proposes a new, broad-based tax that complies with federal law.
   The new proposal is intended to offset the same amount of General Fund expenditures as the current tax, as well as fund a restoration of the 7 percent reduction of IHSS hours required by a settlement agreement for two class-action lawsuits that challenged the reduction in IHSS hours: Oster v. Lightbourne and Dominguez v. Schwarzenegger.
- Extension of Skilled Nursing Quality Assurance Fee Current law authorizes a quality assurance fee on free-standing skilled nursing facilities until July 31, 2015 and three percent increases in reimbursement rates in 2013-14 and 2014-15. The fee is matched with federal funds to increase reimbursements to these facilities. The fee will be extended with annual reimbursement rate increases of 3.62 percent for a period of five years.
- Behavioral Health Therapy Pursuant to federal guidance, the Medi-Cal program began providing behavioral health treatment services on July 1, 2014, including Applied Behavioral Analysis, for individuals with autism up to 21 years of age under its Early and Periodic Screening, Diagnosis and Treatment activities.
- Limited Benefit Programs Several state-only health programs including the Medi-Cal Access Program, California Children's Services, the Genetically Handicapped Persons Program, and Every Woman Counts currently provide health services that do not qualify as comprehensive coverage. Due to the Affordable Care Act, individuals can receive comprehensive health coverage that typically cover the services provided in these non-comprehensive programs. Consistent with a policy of encouraging comprehensive coverage, the Budget proposes to require individuals in state-only programs seek comprehensive coverage offered through Covered California or Medi-Cal in order to become eligible for these programs.
- Enrollment Stabilization Medi-Cal beneficiaries enrolled in managed care will be permitted to change their plans only during a 90-day open enrollment period similar to the open enrollment period utilized by Covered California. Exceptions would be granted for qualifying life events, such as marriage, unemployment, or divorce.
- Pediatric Palliative Care The Department of Health Care Services will expand its existing 11-county pediatric palliative
  care pilot project to an additional seven counties. This project improves the quality of life for children with life threatening
  illnesses.
