30	Per DOF letter dated December 17, 2015, the DOF approved the unfunded pension obligation but stated that liabilities calculation be based on the dissolution year 2012 and not 2013 as originally requested by the Agency. CalPERS recalculated pension liabilities in 2013 to reflect new factors such as mortality rate. The Agency's stance is that although the Successor Agency ceased to exist in January 2012, the liabilities continue to exist, therefore, calculation should be updated accordingly.
