### **Amended Recognized Obligation Payment Schedule**

Pursuant to Health and Safety Code (HSC) section 34177 (o) (1) (E), the City of Commerce Successor Agency (Agency) submitted an Amended Recognized Obligation Payment Schedule for the period January 1, 2022 through June 30, 2022 (Amended ROPS 21-22B) to the California Department of Finance (Finance) on September 20, 2021. Finance has completed its review of the Amended ROPS 21-22B.

Based on our review and application of the law, Finance makes the following determination:

- Item No. 68 – Commerce Refuse to Energy Facility for the requested adjustment of \$10,400 in Other Funds is not allowed. The documentation provided does not support an increase in funding. Therefore, the item is not eligible for an additional \$10,400 in Other Funds. This item is an enforceable obligation; however, funding is limited to the previously authorized amount of \$8,000 for the ROPS 21-22B period.

Since Finance did not approve any Redevelopment Property Tax Trust Fund (RPTTF) adjustments, the Agency's maximum approved RPTTF distribution for the Amended ROPS 21-22B period remains at \$4,674,192, as summarized in the Approved RPTTF Distribution table (see Attachment).

Please refer to the Amended ROPS 21-22B schedule used to calculate the total RPTTF approved for distribution:

This is Finance's determination related to the funding of enforceable obligations reported on your Amended ROPS 21-22B. Please note there is not a Meet and Confer option for the Amended ROPS process; therefore, Finance's determination is final. This determination is effective for this time period only and should not be conclusively relied upon for future ROPS periods. All items listed on a future ROPS are subject to Finance's review and may be denied, even if it was not denied on this Amended ROPS or a preceding ROPS. The only exception is for items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of Final and Conclusive items is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment available prior to the enactment of the redevelopment dissolution statutes. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the Agency in the RPTTF.

Please direct inquiries to Joshua Mortimer, Supervisor, or Michael Barr, Staff, at (916) 322-2985.

Sincerely,
