

State of California

Single Audit Report

2020-21

The State of California's 2020-21 Single Audit Report dated April 5, 2023, has been removed from this website as it is being revised and should not be relied upon. Additionally, due to technical constraints of the United States General Services Administration, Federal Audit Clearinghouse, the State of California's 2020-21 Single Audit Report is still publicly accessible on their site, but also should not be relied upon. A reissued State of California 2020-21 Single Audit Report will be posted as soon as it becomes available.
