The Supplemental Report of the 2022 Budget Act contains statements of intent or requests of departments for studies or reports adopted by the Legislature. The Legislative Analyst's Office has posted the Supplemental Report on its [website](#).

In the interest of maintaining a positive working relationship with the Legislature, departments are strongly advised to comply with the requested supplemental reporting requirements.

If a department is unable to complete a report as requested or meet the specified deadline, please notify the Governor's Office and your Department of Finance budget analyst as soon as possible, but no later than October 31, 2022.

All reports should be routed through the appropriate Agency Secretary, the Governor's Office, and Finance prior to submitting them to the Legislature. Please allow sufficient time for these entities to review the report ahead of the respective deadline.

Please contact your Finance budget analyst if you have any questions.
