TO: Agency Secretaries

FROM: DEPARTMENT OF FINANCE

Note: Departments are requested to forward a copy of this Budget Letter (BL) to other personnel dealing with federal awards.

This BL is to ensure state departments are aware of the new federal uniform guidance, titled, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" issued by the U.S. Office of Management and Budget (OMB). This guidance supersedes and streamlines requirements from the following eight OMB Circulars: A-21, A-50, A-87, A-89, A-102, A-110, A-122, and A-133. The guidance is located in Title 2 of the CFR Part 200 and the full text is available at: <http://www.ecfr.gov>

For state departments, the administrative requirements and cost principles apply to new federal awards and to additional federal funding of existing awards made after December 26, 2014. Existing federal awards made prior to December 26, 2014, will continue to be governed by the terms and conditions of the federal award. For questions regarding the application of the new uniform guidance to your department's grants, contact the federal awarding agency to ensure compliance and to clarify any issues.
