**Addition of Budget Bill Items 5240-490, 5460-301-0747 and 5460-301-0751, Capital Outlay, Departments of Corrections and Youth Authority**

**Department of Corrections**

Add Item 5240-490 to reappropriate the following projects:

1. California State Prison, San Quentin, San Quentin: Correctional Treatment Center (CTC), Phase II—Preliminary Plans. The licensed CTC provides 24-hour skilled nursing care and observation for inmates with sub-acute or chronic medical conditions. The Budget Act of 2003 incorporated the correctional treatment center at San Quentin into the new housing unit for the condemned inmates at San Quentin. This reappropriation of preliminary plans is necessary in case any contingencies arise in the current year.
2. California Rehabilitation Center, Norco: Potable Water System Improvements—Construction. The project will make various improvements to the existing system to correct the water system deficiencies. This project has been deferred pending review of potential facility closures.
3. California Correctional Institution, Tehachapi: Wastewater Treatment Plant—Construction. This project will renovate the existing wastewater treatment plant. The real estate due diligence process has not been completed which prohibits the Department from proceeding to bid, resulting in the proposed reappropriation of the construction funds.
4. California Medical Facility, Vacaville: Mental Health Crisis Beds—Preliminary Plans, Working Drawings, and Construction. The purpose of this project is to build a new mental health crisis facility. The real estate due diligence process has not been completed which prohibits the Department from proceeding to bid, resulting in the need to reappropriate the preliminary plans, working drawings, and construction funds.
5. Sierra Conservation Center, Jamestown: Effluent Disposal Pipeline—Construction. The project constructs a new pumping station at the wastewater treatment plant and provides for the appropriate disposal of the effluent. This project has been delayed due to unexpected California Environmental Quality Act permitting issues. These delays have resulted in the need to reappropriate the funds.

6. California Institution for Men—East, Chino: Electrified Fence—Preliminary Plans and Working Drawings. The due diligence process has not been completed, resulting in the need to reappropriate the funds.
7. Chuckawalla Valley State Prison, Blythe: Heating, Ventilation, and Air-Conditioning (HVAC) System—Preliminary Plans. This project installs a centralized HVAC system to repair the existing system damaged from the extreme conditions of the climate. The due diligence process has not been completed, resulting in the need to reappropriate the funds.

#### Department of the Youth Authority

Add Item 5460-301-0747 for a total of \$1.5 million and Item 5460-301-0751 for a total of \$500,000 to make modifications to Southern Youth Correctional Reception Center and Clinic (SYCRCC) and Heman G. Stark Youth Correctional Facility (HGSYCF) to accommodate wards that will be transferred because of the closure of Fred C. Nelles. Housing modifications to accommodate wards in the Sex Offender Program Unit at SYCRCC and modifications to increase the educational facilities at both SYCRCC and HGSYCF are needed. It is recommended to fund these projects in the Southern facilities in an effort to keep the wards closer to their families to avoid moving them to the Paso Robles facility in Central California.

The effect of my requested action is reflected on the attachment.
