Amendment to Budget Bill Item 1700-001-0001, Support, Department of Fair Employment and Housing

It is requested that Item 1700-001-0001 be adjusted due to a technical error in the Governor's Budget. The 2004 Budget Act Control Section 6.60 workers' compensation reduction was erroneously applied to operating expenses and equipment instead of staff benefits.

It is further requested that Item 1700-001-0001 be increased by \$390,000 to revise the total estimated workers' compensation savings, due to overstated base-year costs used in the initial calculation of savings.

The effect of my requested action is reflected on the attachment.

The proposal included in the 2005-06 Governor's Budget would have required surplus property to be listed in the Budget Bill. - \$535,000 and 4.3 personnel years to allow the DGS to recover costs for operations and maintenance services provided to various client departments. Resources to reimburse the DGS are included in base budgets for the client departments

- \$334,000 and 4.7 personnel years to allow the DGS to recover costs for operations and maintenance services provided to the Department of Parks and Recreation (DPR) for the Stanford Mansion. Resources to reimburse the DGS are included in the 2005-06 Governor's Budget in the DPR budget.
- \$609,000 and 4.0 personnel years to allow the DGS to recover costs to operate and maintain the California Department of Transportation (CalTrans) District 11 building which is scheduled for completion in June 2006. Resources to reimburse the DGS are included in a corresponding Finance Letter for CalTrans.

It is requested that Item 1760-001-6036 be increased by \$239,000 and 3.0 School Facilities Program Analyst II positions be added to provide additional state operations support for increased workload in the School Facilities Program and that Item 1760-001-0666 be amended to reflect this change.

It is requested that Item 1760-492 be added to reappropriate funding authorized by Proposition 122, the Earthquake Safety and Public Building Rehabilitation Bond Act of 1990. This item would reappropriate up to \$1,833,588 for two local seismic grants that were reappropriated by Item 1760-492, Budget Act of 2004.

It is also requested that Item 1796-495 be added to revert funding authorized by Proposition 122, the Earthquake Safety and Public Building Rehabilitation Bond Fund of 1990. This item would revert up to \$500,000 for one local seismic grant that was reappropriated by Item 1760-492, Budget Act of 2003.

The effect of my requested action is reflected on the attachment.

Addition of Budget Bill Item 1870-295-0001, Local Assistance, Victim Compensation and Government Claims Board

It is requested that Item 1870-295-0001 be added with appropriate Budget Bill language to reflect the suspension of the Adult Felony Restitution mandate. Proposed legislation to make this mandate permissive was not enacted; therefore, it is necessary to amend the Budget Bill in order to reflect the suspension of this mandate (Attachment I).

The effect of my requested action is reflected on the attachment.

If you have any questions or need additional information regarding this matter, please call Jennifer Osborn, Principal Program Budget Analyst, at 445-8913.
