Amendment to Budget Bill Item 0250-101-0932, Local Assistance, Judicial Branch

It is requested that Item 0250-101-0932 be decreased by \$17,680,000 to reflect the following:

Technical Adjustment to the Trial Court Trust Fund—A decrease of \$28.0 million to correct a technical error related to the Automated Traffic Enforcement proposal from fiscal year 2010-11. This proposal was rejected, but the expenditure authority to support increased workload associated with the proposal was not reduced to reflect this action. This adjustment will reduce the expenditure authority in the Trial Court Trust Fund accordingly.

Expenditure Authority for Fee Revenue—An increase of \$10,320,000 to reflect anticipated revenues associated with the exemplification of a record, copy and comparison, and mailing services fee increases proposed in the Governor's Budget, and the \$30 fee for court reporting services lasting under one hour as authorized in the 2012 Budget Act.

The effect of my requested action is reflected on the attachment.

If you have any questions or need additional information regarding this matter, please call Jay Sturges, Principal Program Budget Analyst, at (916) 445-8913.

It is also requested that 0530-001-0890 be decreased by \$250,000 to reflect exhaustion of the federal grant which currently funds these positions. The positions will allow the California Health and Human Services Agency (CHHSA) to continue to respond to local requests for state guidance in developing local ADRC partnerships, which bring together multiple local agencies to provide comprehensive consumer information and coordinated long-term services and support to program users.

State Innovation Models Grant (Issue 204)—It is requested that Item 0530-001-0890 be increased by \$1,818,000 and that Item 0530-001-0001 be adjusted to reflect this change, to expend the Center for Medicare and Medicaid Services Innovation State Innovation Models Grant. Successful commitment of the full grant amount by September 30, 2013 will enable the CHHSA to apply for future federal innovation grants that are expected to be awarded in late 2013. The funds will be used to develop an Innovation Plan with the aim of developing a state-based model for a multi-payer payment system for people enrolled in Medicare, Medicaid, and the Children's Health Insurance Program.

**Addition of Budget Bill Items 0540-101-6076, Local Assistance and 0540-490,
Reappropriation, Secretary of the Natural Resources Agency**

Proposition 84—Ocean Protection Trust Fund

It is requested that Item 0540-101-6076 be added to appropriate \$20,154,000 Ocean Protection Trust Fund, the unencumbered balance of funds previously appropriated to the State Coastal Conservancy (Coastal Conservancy), for grant programs administered by the Ocean Protection Council (Council). It is also requested that provisional language be added making the funds available to June 30, 2016 (See Attachment A). The Governor's Budget included the positions and support funding for the Council to be consolidated with existing staff in the Secretary of the Natural Resources Agency's (Agency) budget. This request shifts the local assistance funding to the Agency to conform to the Governor's Budget

Proposition 84 Reappropriation—Strategic Growth Council Urban Greening Program

It is requested that Item 0540-490 be added to reappropriate Proposition 84 funds for the Urban Greening and Sustainable Communities grant programs administered by the Strategic Growth Council (SGC) provided by the Budget Act of 2010 and conforming provisional language (See Attachment A). Of the 44 projects the SGC awarded in the first round of grants, 3 were terminated resulting in approximately \$1.7 million available for reappropriation. This request will allow the funds to be included in the third and final round of Urban Greening grants that the SGC anticipates awarding in June 2014.

The effect of my requested action is reflected on the attachment.

Addition of Budget Bill Item 0984-001-8081, Support, California Secure Choice Retirement Savings Investment Board

It is requested that Item 0984-001-8081 be added in the amount of \$1 million to conduct the market analysis related to private pensions specified in Section 3 of Chapter 734, Statutes of 2012. It is also requested that Budget Bill language providing for additional expenditure authority beyond the \$1 million upon Department of Finance's approval and legislative notification, be included in the 2013-14 budget.

The following Budget Bill language would be added to this item as Provision 1:

Notwithstanding any other provision of law, the Director of Finance may authorize expenditures for the California Secure Choice Retirement Savings Investment Board to conduct a market analysis pursuant to Chapter 734, Statutes of 2012, in excess of the amount hereby appropriated, but not sooner than 30 days after notification in writing of the necessity therefor is provided to the chairpersons of the fiscal committees and the Chairperson of the Joint Legislative Budget Committee, or not sooner than whatever lesser time the chairperson of the joint committee, or his or her designee, may in each instance determine. The additional expenditure authority is contingent upon the receipt of funding provided through a nonprofit or private entity, or from federal funding above and beyond one million dollars (\$1,000,000).

Although Chapter 734 creates the California Secure Choice Retirement Savings Program Fund, it does not provide spending authority to actually conduct the market analysis. This market analysis would study the feasibility of a private pension plan for those who do not currently have access to such a system. All spending is contingent upon the receipt of sufficient funding provided through a non-profit or private entity, or from federal funding.

The effect of my requested action is reflected on the attachment.
