Amendment to Budget Bill Item 1115-001-3288, and Addition of Item 1115-101-0001, Support and Local Assistance, Department of Cannabis Control

Cannabis Equity and Inclusion Coordination—It is requested that Item 1115-001-3288 be increased by \$246,000 ongoing and 1 position, for a Deputy Director of Equity and Inclusion, as part of the overall consolidation proposal for the new Department of Cannabis Control. This position will help focus and coordinate cannabis equity and inclusion policies within the Department, assist the Department in assessing outcomes and highlighting best practices of local programs, and develop and refine programs and processes to further reduce barriers to entry into the legal, regulated market.

Cannabis Local Jurisdiction Assistance Grant Program—It is requested that Item 1115-101-0001 be added in the amount of \$100 million, on a one-time basis, for a grant program to assist local jurisdictions that have high numbers of provisional licenses obtain California Environmental Quality Act compliance required for annual licensure (see Attachment 1). This will help more licensees successfully move more quickly from provisional licenses into annual licenses. It is also requested that provisional language be included to establish this grant program (see Attachment 1).

Amendment to Cannabis Consolidation Statutory Changes—It is requested that the cannabis consolidation statutory changes, proposed at Governor's Budget, be amended to add language to: (1) extend the authority to issue provisional licenses from January 1, 2022 through June 30, 2022 and make various changes to improve the provisional licensing program; (2) exempt the Department of Cannabis Control from being required to use the Attorney General's Office for administrative hearings; (3) exempt the Department of Cannabis Control from the Office of Administrative Law's regulatory process; (4) provide fee authority to the Department of Food and Agriculture and the Department of Public Health for cannabis appellations and organics programs; and (5) establish a Deputy Director of Equity and Inclusion position, and other minor changes. The statutory changes will be forthcoming.

Provisional Language for Transition Period Until New Department is Established—It is requested that provisional language be added to Item 1115-001-3288 to: (1) authorize the Business, Consumer Services, and Housing Agency to act on behalf of the new Department until the appropriate staff are hired; and (2) specify that while the new Department would assume authorization/control of positions to be transferred from the legacy departments effective July 1, 2021, the three legacy departments would still have the ability to process transactions for those positions until they are officially transferred via the State Controller's Office to the new Department (see Attachment 2).

The effect of my requested action is reflected on the attachment.

 8. The Department of Cannabis Control may review, adopt, amend, and repeal guidelines to implement uniform standards, criteria, requirements or forms that supplement or clarify the terms, references, or standards set forth in this item. Amendment to Budget Bill Item 1701-001-3363, Support, Department of Financial Protection and Innovation

It is requested that Item 1701-001-3363 be decreased by \$6,297,000 and 28 positions to reflect refinements to resources included in the Governor's Budget to implement the licensure, examination, and regulation of debt collectors, as required by Chapter 163, Statutes of 2020 (SB 908). The Department of Financial Protection and Innovation previously estimated 7,000 debt collectors would need to be licensed in California. The Department has since gathered additional information from industry experts and other states, and now expects to license a total of 3,500 debt collectors. The resources requested in the Governor's Budget to implement the debt collector program have been reduced to align with the anticipated decrease in workload related to SB 908.

The effect of my requested action is reflected on the attachment.
